Each puzzle page shows its level at the top, so you always know which way the words can run.

How to Play

1. Look at the list of words at the bottom of the puzzle page.
2. Find each word hidden in the big square of letters above it.
3. When you find a word, draw a circle or loop around it, then tick its box on the list.
4. Words never bend or wrap around the edge. Spaces and punctuation are left out, so SNOW ANGEL is hidden as SNOWANGEL.

Here is a small example. STAR runs across, and BELL runs down:

X	S	T	A	R	M	Q	P
K	B	W	H	J	O	L	D
N	E	F	U	Z	R	I	E
T	L	P	O	G	N	V	A
H	L	C	A	K	D	E	W
Y	J	O	R	U	M	I	S
Q	P	A	I	N	T	E	B
Z	V	G	E	S	L	O	H

The Hidden Message: when every word is found, some letters will be left over. Read them from left to right, top to bottom, and they will spell out a Christmas message! You can check it in the Solutions at the back of the book.

The Three Levels

EASY

Puzzles 1–30 and many Advent days.
Words only run across from left to right → or down from top to bottom ↓.

MEDIUM

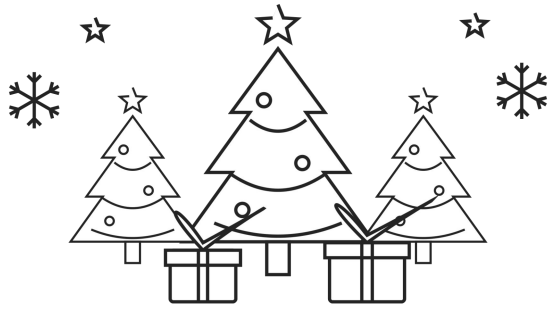

Puzzles 31–60 and some Advent days.
Words can also run diagonally, going down ↘ or going up ↗.

CHALLENGE

Puzzles 61–75 and the last Advent days.
Words can run in all 8 directions, even backwards and upside down.

Helpful Tips

- Start with a word that has an unusual letter, such as Q, Z, X, J, or K. Those letters are easy to spot in the grid.
- Run your finger or a ruler along each row to keep your place.
- A highlighter or a soft pencil makes found words easy to see.
- Look for the first two letters of a word side by side, then follow that direction.
- Good light and your reading glasses make every puzzle easier.
- Take your time. There is no clock and no rush. A puzzle a day is a lovely habit.

PART ONE
